## SCPC and SLPGC beneficiaries graduate from DomRAC NCII training

In partnership with TESDA-RTC Batangas, SEM-Calaca Power Corporation (SCPC) and Southwest Luzon Power Generation Corporation (SLGPC) have successfully trained 23 individuals to complete the Domestic Refrigeration and Air-Conditioning (DomRAC NCII) program.

The beneficiaries, all coming from impact barangays, officially completed the 720-hour technical-vocational course on October 31, 2023. The trade skills and certifications they earn will help them secure better employment opportunities, enhance their earning potential, and improve their standard of living.
