#### PRESS RELEASE

October 17, 2022

#### SMPC declares record high special cash dividends

In a special meeting held today, the Board of Directors of Semirara Mining and Power Corporation (PSE: SCC) approved the declaration of P3.50 per outstanding common share in special cash dividends for shareholders on record as of October 31.

This is 100 percent more than the P1.75 special cash dividends declared last year, and the highest dividend ever declared by SCC.

Ex-dividend date will be on October 26 while payment will be made on November 15.

Last April, the company paid out P1.50 per share in regular cash dividends.

With the additional special cash dividend, the total dividend payout of SCC to its shareholders for 2022 will be P5.00 per share, the highest in its corporate history.

It also translates to a cash dividend yield of 12.34 percent based on its October 14 closing price of P40.50.
