**SMPC Wins Silver in FinanceAsia's Best Managed Companies Poll for 2023**

Integrated energy company Semirara Mining and Power Corporation (SMPC) has been recognized as one of the best energy companies in the Philippines, bagging the silver award in the 2023 Asia's Best Managed Companies Poll by FinanceAsia.

The annual poll serves as a prestigious benchmark of Asia's top-performing companies, showcasing organizations that have demonstrated superior performance and corporate behavior over the past year.

The poll is conducted based on nominations from Asia's influential community of investors and financial analysts, putting a spotlight on companies that have shown exceptional management, financial performance and corporate social responsibility.

In her acceptance speech during the awarding ceremony at the Ritz-Carlton in Hong Kong, SMPC President and COO Maria Cristina C. Gotianun said the recognition served as a reminder of how far the company had come.

"Last year, we marked our silver anniversary under the DMCI group. Our journey has been a challenging one, but we have emerged stronger and more resilient because of the support of our stakeholders," shared Gotianun.

"We are grateful for their trust, and will continue to work hard to meet their expectations," she added.
